WHY POLLARD ENGLISH

BETTER EDUCATION, BETTER FUTURE

[www. reallygreatsite. com](http://www.reallygreatsite.com)

Pollard English Language Centre is a boutique language school focused on delivering quality courses designed specifically to develop the English skills of international students enrolling in our courses.

Our curriculum is developed to focus on teaching students the skills required using interesting topics and formal and informal spaces. This enables students to have a positive learning experience and integration into Australian culture and society.

Pollard English uses a language textbook but our experienced and qualified teachers go way beyond the textbook, always discovering new materials to extend our student's understanding and learning.
